

## FAR EYE RECOGNIZED AS 50 BEST START-UPS TO WORK FOR – 2017 BY SILICON INDIA MAGAZINE

**23<sup>rd</sup> June, New Delhi:** FarEye, #1 Global Logistics Management Solution, is proud to announce that it has been recognized as 50 Best Start-ups to Work For – 2017 by Silicon India, a leading technology magazine.

FarEye, with a team size of 100 and offices across Mumbai, Singapore and Dubai and New Delhi - its home turf, considers its employees as assets to the organization and leaves no employee request unattended. In a quest to provide best in class work culture, FarEye offers various amenities and hosts regular health check-ups, educational sessions and many more employee benefit programs. Headquartered in New Delhi, it has a sprawling office close to the Bird Sanctuary at Okhla Phase-III, with break-out areas and gaming zones which help employees relax and rejuvenate themselves.

“FarEye aims to provide an environment to employees that fosters their lateral thinking, keeps them balanced and sparks innovation in them. We want to provide an outstanding work environment which nurtures and develops talent across all levels. It is a tremendous honor to be recognized as a Best Place to Work at this stage of our growth. Our vision is to continue to have the same ‘open-environment’ while scaling up the company in other geographies as well.” says **Gautam Kumar, Co-founder & Chief Operations Officer.**

FarEye in essence is a “flat organization” cultivating an open atmosphere for employees to bring their ideas to life and innovate new ways of executing the traditional activities.

“We firmly believe that employees are assets for any organisation. It is our primary goal to invest in nurturing our employees and promote an environment which fosters trust, growth and innovation. Satisfied and happy employees are ‘motivated’ employees who drive organisational growth. We are immensely proud and feel honoured to be recognised as a Top Employer and this success is dedicated to each and every employee of FarEye,” says **Kushal Nahata, Co-founder & CEO, FarEye.**

FarEye is growing at an exponential pace, and aims to hire industry’s best talent to fuel the growth. The founding members Kushal Nahata, Gaurav Srivastava and Gautam Kumar are on a mission to make every individual an ‘entrepreneur’.
